## BIJOU BRIDGE WASHED OUT ACCESS TO RANGE VIA 96TH BLOCKED

There has been a wash-out of 96th Avenue at the Bijou bridge approach a mile west of the Colorado Rifle Club ranges entrance. The bridge is intact, but there is no way around the road wash out. This affects anyone who tries to come on 96th Avenue from west. The only entrance is now on 96th Avenue from the east on Rector/Leader, County Rd 52. Those coming from the north will have to find a way from the Prospect Valley Road to Hoyt and south on Minosa Rd to 96th, or drive south to Byers and US 36 and pick up Rector Leader to the range again.

We have no idea when the road will be repaired and open again, but we suspect that it will be a low priority for the county.
