

## In Memoriam Marty Everett

Marty Everitt passed away in his sleep on 3/9/2016. His family was at the bedside. Marty returned from a cross country trip late last year and became very sick at that time from which he never fully recovered.

Marty was a smallbore competitor for over 70 years starting as a junior shooter. He competed on the University of Michigan Rifle team while in college. Most recently he could be found in the smallbore stat building scoring targets in all the major smallbore tournaments.

Marty has been a good friend to competitive shooting and the Colorado Rifle Club where he contributed greatly. He has been a CRC member since 1962, including 7 years as a CRC board member, 3 years as VP and 8 years as Sec/Treas. His most visible contribution to CRC was designing and supervising the construction of the silhouette range which he accomplished when CRC purchased the easement for the road from 96th Ave and vacated the 112th access road.

The shooting game will sorely miss him as will his many friends.

Marty was 85 years old.

Services are scheduled for Saturday, March 19th at 2:00pm. The services will be held at the Christ Community Covenant Church located at 6757 Simms St., Arvada, CO.
